From the moment we begin to organise an event, we start to incur costs. Your entry fee is invested into the cost of staging the event – everything from barriers to venue booking, from printing to safety pins, marketing, not to mention event, insurance, First Aid cover etc. etc. Organising any event requires a considerable amount of forward planning, risk and expense. Our withdrawal policy reflects this and is as follows:

- Registration fees or other registration details cannot be transferred
- Credits will be issued after the event and as follows:
 - ❖ Notification dated 8 weeks (61 days) or more before the event = 50% credit
 - ❖ Notification dated 4 weeks to 8 weeks (30 to 60 days) before event = 20% credit
 - ❖ Notification dated less than 4 weeks (29 days) before event = nil credit
- Refunds take about 5 days to complete from receiving a cancellation notice
- Due to the nature of sports events, we are unable to make exceptions for injuries or pregnancy.

Once we have received your written withdrawal notice, your entry will be deleted from the Race. If we receive your withdrawal notice less than 4 weeks (29 days) before event your entry will be deleted from the Race and you will not be able to re-entre.

Event entry fees are not transferable to any other person or to any other event.
